Como adicionar um usuario normal:

Admin# cd service

Admin\service# user add fiberhome login-password fiberhome

Admin\service# user role fiberhome normal

A screenshot of a PuTTY terminal window titled "192.168.1.250 - PuTTY". The terminal shows a series of commands and their outputs. The commands are: "user add fiberhome lo", "user add fiberhome login-password fiberhome", "user role fiberhome normal", and "change user role use 'user role' command .". The outputs are: "Successfully added user fiberhome as a NORMAL\_USER ,", "Successfully change user fiberhome to NORMAL mode.", and a confirmation message. The prompt is "Admin\service#".

```
Admin\service# user add fiberhome lo
Admin\service# user add fiberhome login-password fiberhome
Successfully added user fiberhome as a NORMAL_USER ,
To change user role use "user role" command .
Admin\service# user role fiberhome normal
Successfully change user fiberhome to NORMAL mode.
Admin\service#
```

Como adicionar um usuario Admin.

Admin# cd service

Admin\service# user add fiberhome login-password fiberhome

Admin\service# user role fiberhome admin enable-password fiberhome

A screenshot of a PuTTY terminal window titled "192.168.1.250 - PuTTY". The terminal shows a series of commands and their outputs. The commands are: "user add fiberhome lo", "user add fiberhome login-password fiberhome", "user role fiberhome admin e", and "change user role use 'user role' command .". The outputs are: "Successfully added user fiberhome as a NORMAL\_USER ,", "Successfully change user fiberhome to ADMIN mode.", and a confirmation message. The prompt is "Admin\service#".

```
Admin\service# user add fiberhome lo
Admin\service# user add fiberhome login-password fiberhome
Successfully added user fiberhome as a NORMAL_USER ,
To change user role use "user role" command .
Admin\service# user role fiberhome admin e
Admin\service# user role fiberhome admin enable-password fiberhome
Successfully change user fiberhome to ADMIN mode.
Admin\service#
```

Lembrando que o fiberhome é o que deve ser mudado!!!!
